A. **Continuing Education Committee**
   - This committee’s charge derives from NAAL’s annual plan, which states: “NAAL will coordinate training opportunities as needed to assure that library staff and other information users attain the knowledge and skills necessary to support effective and efficient use of online and other relevant information.” In practice, the committee promotes and develops continuing professional education and staff development initiatives for all NAAL programs.
B. Digital Content Committee

NAAL is committed to supporting the high-quality digital content development amongst its members. Digital content development refers to the creation and management of both new forms of expression in natively digital formats and activities related to the conversion of physical media to digital formats for the purposes of preservation or improved access. The Digital Content Committee oversees the creation of materials needed to support and advocate for digital content creation and management at member institutions and among community partners. The committee initiates applications for grant and digital project funding and develops projects to support work and learning in areas related to digital content development. The Digital Content Committee keeps abreast of rules, standards, and developments in technology and policy that enable NAAL members to develop, sustain, and preserve digital content in a manner that is consistent, efficient, and effective.

D. Resource Sharing Committee

E. Marketing Committee

The Marketing committee’s charge is to market the activities and mission of NAAL. These activities can include but are not limited to newsletters, letters, flyers, emails, contests, surveys, and website. This committee is tasked with annual review of the web site and creation and monitoring of a listserv.

AVL Marketing Subcommittee

Committee members stay abreast of AVL user trends, needs, and wants. The committee will evaluate usage of the AVL and utilize wide-ranging information sources to best promote AVL resources. As initiatives arise that aim to increase the usage of AVL products, this subcommittee will consider promotion of those ideas.

Section 3

The petition shall describe in detail the decision which led to the petition and shall outline the reasons for disagreement with the decision.

The director of NAAL shall, within ten calendar days, notify the members of the Advisory Council. The chair shall promptly schedule a meeting of the Council to hear the petition no later than thirty calendar days from receipt of the petition and shall notify the petitioner of the date, time, and place of the meeting. The petitioner may appear at the hearing and present evidence supporting its request for reconsideration. A majority of the members of the Advisory Council shall constitute a quorum. A majority of those present shall render the Council's decision.

If the petitioner remains aggrieved after the rehearing by the Council, it may appeal within thirty calendar days to the Alabama Commission on Higher Education by written notice to the executive director of the Commission.

Article XI Contingency Fund

Membership and other special fees of the Network shall be maintained in a fund known as the Contingency Fund and shall be used to finance expenditures not appropriate to, or as a supplement to, state appropriations. An amount not to exceed the income earned annually on the principal may be expended each year for purposes approved by the Executive Council. Expenditures exceeding the annual income will require the approval of the Advisory Council. Any income unexpended at the end of each fiscal year will become part of the corpus sum. The Executive Council may appoint a fiscal agent to administer the Contingency Fund.

Article XII

Recitation of Consistency

These bylaws are intended to be consistent with the provisions of the Organizational Agreement and the Plan of Organization for the Network as executed by the chief executive officers of the general member institutions and distributed by the executive director of ACHE. Nevertheless, in the event of any inconsistency, the provision of these bylaws shall prevail.
