RE: University of Montevallo Title IX Policy Report

Pursuant with HB498 (Alabama Free Speech Law), the following course of action was taken to ensure compliance by the University of Montevallo: The University educated all incoming students during orientation by placing a “Falcon Free Speech” information card in each orientation packet, as well as included information on the *Falcon Free Speech* program in the orientation overview slideshow. In addition, the University Expression and Demonstration Policy can be found in the student handbook, *The Fledgling*. New students are given a student handbook at Welcome Weekend and returning students can secure a copy at Student Life throughout the year. All students can find the student handbook on the website at [https://www.montevallo.edu/wp-content/uploads/2021/07/21Fledgling\\_ADA.pdf](https://www.montevallo.edu/wp-content/uploads/2021/07/21Fledgling_ADA.pdf).
