

COVID-19 State Government Operations - ACHE

Per a directive from the Governor of the State of Alabama, Commission employees will be operating from home until Monday, April 20th. During this period, there will be a small number of employees in the office on any given day. Commission staff will be checking their email and voice messages daily during weekdays. If possible during this period, please send a digital copy by email of any communications you normally would have mailed. We appreciate your patience during these extraordinary times and apologize for any inconvenience this causes.
