NOTES: Graduation rates are defined as the total number of individuals from a given cohort of full-time, first-time degree/certificate-seeking undergraduates who completed a degree or certificate within a given percent of normal time to complete all requirements of the degree or certificate program; divided by the total number of students in the cohort of full-time, first-time degree/certificate-seeking undergraduates minus any allowable exclusions, disaggregated by GENDER.

*Beginning Fall 2017, these institutions combined and created "Coastal Alabama Community College". The combined graduation rate by gender: Men is **24%**, Women is **20%**.

Ingram State Technical College is comprised of incarcerated inmates and therefore is not included in this report.
