

## Alabama Commission on Higher Education Alabama State-Supported Private Institutions Retention Rates of First-Time Bachelor's Degree-Seeking Students, by Attendance Level: Fall 2016 Cohort

**NOTES:** Retention rates are measures at which students persist in their educational program at an institution, expressed as a percentage. This is the percentage of first-time bachelors (or equivalent) degree-seeking undergraduates from the previous fall who are again enrolled in the current fall. Academic reporting institutions report retention data as of the institution's official fall reporting date or as of October 15, 2016. Program reporters determine the cohort with and enrollment any time between August 1 - October 31, 2016 and retention based on August 1, 2017.
