(b) Definitions for the Revenue columns

Tuition & fees, net of allowance - Amount of tuition and educational fees, net of any allowances applied in the General Purpose Financial Statement. Include in this amount all fees for continuing education programs, conferences, and seminars.

State appropriations - Report all amounts received by the institution through acts of a state legislative body, except grants and contracts.

Local appropriations, education district taxes & similar support - All amounts received from property or other taxes assessed directly by or for an institution below the state level. Includes any other similar general support provided to the institution from governments below the state level.

Investment return - All investment income (i.e., interest, dividends, rents and royalties), gains and losses (realized and unrealized) from holding investments (regardless of the nature of the investment), student loan interest, and amounts distributed from irrevocable trusts held by others (collectively referred to as "investment return"). Changes in the value of interest rate swaps should be included in this amount.

Government/Private Grants & Contracts - Revenues from federal, state, & local governmental agencies and from nongovernmental agencies and organizations that are for specific undertakings such as research projects, training projects, and similar activities. If Federal Pell and similar federal, state, or local student aid grants are treated as agency transactions in the General Purpose Financial Statement as student aid expenses, they are excluded from the amount. If they are treated as student as expenses or as allowances when awarded they are included.

Gifts - Revenues from private (non-governmental) entities including revenues received from gift or contribution nonexchange transactions (including contributed services) except those from affiliated entities. Includes bequests, promises to give (pledges), gifts from an affiliated organization or a component unit not blended or consolidated, and income from funds held in irrevocable trusts or distributable at the direction of the trustees of the trusts. Includes any contributed services recognized (recorded) by the institution.

Other Revenues - This amount includes all other revenues not included in other lines.
