Award Information

Award Amount: \$100,000.00

Primary Company: Corporation for a Skilled Workforce

Contract In: (Number of Years: 0) (Number of Months: 5) (Number of Days: 15)

Number of Solicits: 341 **Contract Awarded Date:** 04/15/2021

Number of Responses: 4 **LOC Review Date:** 04/01/2021

Number of Evaluations: 4 **Contract End Date:** 09/30/2021

Evaluation Criteria: Vendor is to have resources in place to help develop and implement a system for describing credentials and occupations in terms of their competencies. The system should include standard categories, properties, components, tags, or other descriptors that can be organized into a competency database. These frameworks should build on work that has already been done in the State. Main deliverables will be the structure of the system/ database, along with sample entries and other training materials.

Award Lowest: No

Award Justification: Lowest bid did not requirements of the RFP.
