

NOTES:

Historical numbers have been adjusted to reflect mergers. For comparison purposes, mergers are reflected back for the entire history even when they occurred later. For example: Alabama Aviation and Technical College merged with G. C. Wallace Dothan in 1997, but the merger is reflected in all historical numbers back to 1988. A breakout of historical numbers prior to mergers can be furnished upon request. This is the reason that historical numbers change from year to year in this publication.
